MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Letter for Chairman Pastore Regarding
the [redacted] Case

25X1

1. Attached for your consideration and signature, if you concur, is a letter for Chairman John Pastore of the Joint Committee on Atomic Energy, prepared in response to an oral request for a summary of information on the [redacted] case after a courtesy briefing on 25 July of Messrs. Murphy and Conway of the Committee staff.

25X1

2. For your information a copy of the memorandum for the record of the briefing is also attached.

3. In view of the central role of the FBI in this case, you may prefer not to send a letter. Alternatively, your oral approval or refusal to release the summary via Legislative Counsel would obviate the need for correspondence.

MEMORANDUM FOR: THE DIRECTOR

25X1

Our most recent contacts with the Joint Committee on Atomic Energy staff indicate that they merely wish to "have something for the file" on [REDACTED] since AEC refused to provide a report. I recommend that we hand carry the summary (Tab A) to the JCAE staff without a transmittal letter. This is agreeable with the DD/P.
